EDITOR'S NOTE

December invites us to slow down, bundle up, lean into the warmth of the season, and gather close. The glow of twinkling soft lights, the smell of cinnamon, delicious shared meals, and meaningful traditions. I am beyond ready to spend the season snuggled up with a big blanket and hot cocoa, watching the classic holiday movies we all love. This month, we're highlighting simple joys that bring people together.

On page 9, you'll find details for the Holiday Brunch, a festive gathering filled with tasty food and cheerful company. It's the perfect way to spend a winter morning surrounded by the people who make this season meaningful.

And if you're craving a new creative outlet to carry you into the new year, flip to page 18 to explore the music classes at the Taiyo Community Center. From guitar and piano to the elegant sounds of koto, there's something for every age and skill level.
