2026 FARMERS MARKET

ELECTRICAL REQUEST FORM(電気要請書)

ORGANIZATION NAME(団体名):

INSTRUCTIONS: Complete all information for any electrical equipment that you plan to operate during the Farmers Market. Failure to provide the correct information may result in inadequate power being available for your booth during the Farmers Market. A generator (maximum 25 amps) is available for use at a fee of 1,500 yen. Don't forget the little things like lights and fans. The first two items listed are examples.
