EDITOR'S NOTE

Now that we're in May, the weather is warm and comfortable, and we're going outside more to enjoy the beauty of Japan. This month brings a mix of fun and connection across the community. If you're anything like me, you love the Chili's here at Yokota, because for some reason it is significantly better than it is stateside. One of my favorite things is to hang out with my friends outside while having snacks and a drink. Check out page 10 for BBQ & Brews; laid-back, good food, and good drinks. I hope this May brings you a little bit of fun, sunshine, and joy.

IT MAKES “CENTS” TO BE A MEMBER

Become a member of Yokota's clubs and get a one-stop shop to all the savings our community has to offer!

I'll be honest, it took me over a year to become a club member. Not because I didn't know about it, but because I kept putting it off. Looking back, I wish I had signed up so much sooner.

The biggest thing I didn't realize is how affordable it actually is. Membership can be as little as only **\$4 a month** depending on your rank, which is less than what I've spent on one quick coffee run or an impulse snack. Once you're in, you start noticing how quickly it pays for itself.

The **10-15% off** at all FSS food facilities makes a difference every time you grab a meal. Add in **10% off** at the Pet Care Center for boarding, Auto Hobby, bowling, and more, and suddenly I was saving money without even trying. My favorite perk though? The coupon booklets that give you **\$30 worth of savings** right off the bat, where your membership is paying for itself.

Additionally, you get **exclusive access** to members-only events. The Member's World Tour buffets and Quarterly Membership Breakfasts are **free**, plus you get to attend the Friday Social Hours! These aren't just "show

up and eat" events, they are experiences to truly look forward to, a chance to relax, connect, and enjoy being a part of the community.

If you're anything like I was, you've probably thought about joining and just haven't gotten around to it yet. Consider this as your sign! It's a decision that feels small at first, but ends up keeping **more money in your pocket** which makes every day a little easier, more fun, and more connected.

Trust me. This is one of those things you'll wish you did sooner.

FSS TRAVEL
**MATSUMOTO CASTLE
 AND WASABI FARM**
 SAT • 13 JUN

Daio Wasabi Farm, located in Azumino, Nagano Prefecture, is Japan's largest wasabi farm. Established in 1915 and covering 15 hectares, the farm cultivates premium wasabi using pristine spring water flowing from the Northern Alps, producing more than 150 tons each year. Visitors can wander along scenic walking paths, admire the iconic traditional watermills, and take in the peaceful countryside atmosphere. Don't miss the chance to sample the farm's unique wasabi-infused specialties, including wasabi soba noodles, wasabi ice cream, and wasabi pickles, all available at the on-site restaurants and shops.

Matsumoto Castle is one of only four castles designated as National Treasures of Japan and remains largely in its original form. Construction began in 1592, and its elegant black-and-white structure with three turrets has earned it the nickname "Crow Castle" due to its striking black exterior. Inside, steep staircases and low ceilings lead visitors past impressive displays of armor and weapons from the Sengoku, or Warring States, period when the castle was built.

COST BY AGE GROUP:
 \$55 (16 & Up)
 \$45 (6-15)
 \$35 (4-5)
 \$30 (3 & Under, if a seat is needed)

**SIGN UP
 STARTS:
 SAT • 9 MAY
 10 A.M.**

ITINERARY:
 Depart 7 a.m.
 Wasabi Farm 11 a.m.-12:30 p.m.
 Matsumoto 1-4 p.m.
 Return 8 p.m.

Tour cost includes round-trip bus transportation, a visit to the wasabi farm, and admission to the castle.

Please note that there are approximately 140 steep steps inside the castle, and the staircases can be quite narrow and steep. Shoes must be removed before entering the castle, so we recommend wearing socks and comfortable footwear that's easy to take off. This tour also involves significant walking, so please plan accordingly.
